

# New Location **Eastlake 24 PeakFast**

The Eastlake Family is growing! We are proud to announce through our mutual core values and mission to Keep Michiana Active, a partnership with **PeakFast of Granger!**

Along with 15,000 square feet of fitness equipment at your service 24 hours a day, the Peak's have built and provide excellent family owned and operated sports training programs.

Current PeakFast members will enjoy the same great service from the Peak family, with the addition now of Eastlake's entire network of locations and services! All members will now be able to enjoy the benefits of Eastlake 24 PeakFast! Here are just some of the amenities our Granger folks will love...

## **FREE CHILDCARE • GROUP FITNESS • 24 HOUR ACCESS**

Over the next few months Eastlake 24 PeakFast will be working on updating the facility. If you were already a member of PeakFast, you will be issued a new Eastlake keyfob to allow immediate access to the other 8 Eastlake locations. Existing Eastlake members will have access to Eastlake 24 PeakFast during staffed hours for now, as we transition the electronic 24 hour door. We're very excited to spread the word, help us by sharing the news! #TEAMEASTLAKE
